Dear [Redacted]

While purusing the New York Times, Sunday, April 18, 1965, I read with great interest the article about the C.I.A. and noticed with interest, the official C.I.A. emblem.

We are in the process of collecting official Seals from our sponsoring agencies for display on our classroom walls. If you could arrange for us to receive one, we would be most grateful.

Sincerely yours,

William R. King
